# interval

## Spaciously enclosed, a work sofa to relax in.

A relaxed sofa with the quality rich texture of a veneer side table and choice to have additional screens on both sides. Also, included as standard is a back cushion to support the lumbar and work position. The living-like design suitable for a change of pace and to bring out the flow of new ideas.

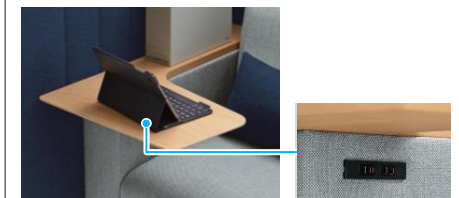

### Gentle sense of being in the surrounding.

Four types of screen variations are available, including a 2.5-sided screen with an angle cut on the left screen. This provides a sense of shielding while maintaining a gentle connection with the surrounding.

### Functionality for work

Under the side-table that extends the length of arm is a two-power outlet to charge laptops and other devices.

The table extends the length of the arms allowing to place personal belongings, bags and file boxes.
