SETTLE

A new lounge chair that blends beautifully into the lounge space and also has a work function.

Adopting a locking function, widely supports from light work to relaxation. Turn a lounge space into a workspace.

Type Variations and Dimensions

Coated Legs Type

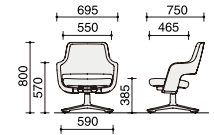

K06-B820CW-GFEC1

Aluminium Polished Leg Type

K06-P820CW-GFMG1

Details

1

Supports standing and sitting with the rotation function of the back seat. The ability to change body direction makes it easier to communicate with the surroundings.

2

Uses low-floor casters that are difficult to see. This allows flexible settings without compromising the lounge atmosphere.
