

FABRE

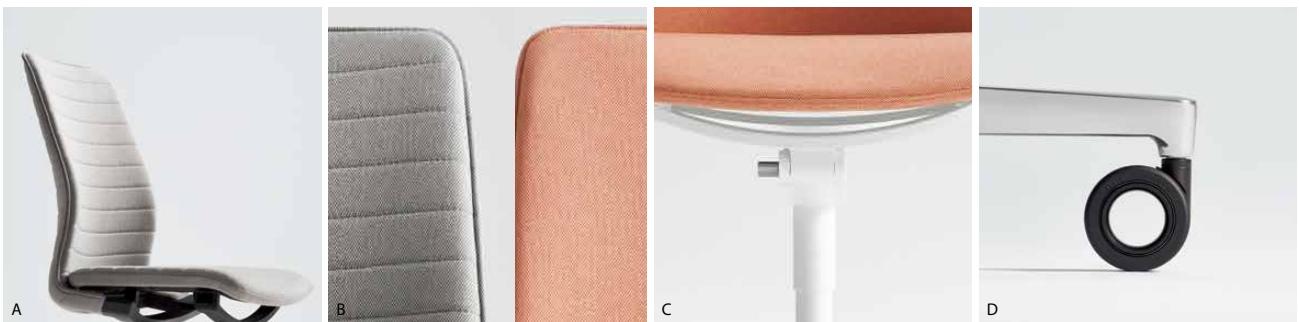

“FABRE” inspired by home design  
for work and social life.  
Designed to seamlessly  
blend into everyday life.

## DESIGN

A fabric texture almost irresistible to touch,  
a slim and soft aesthetic without a mechanical imprint.

A. Slim silhouette with a streamline curve design. A soft impression to fit well into living space.

B. Available in dual-color thread fabric model, as well as in a breathable and tension resilient mesh model. Leather model also available.

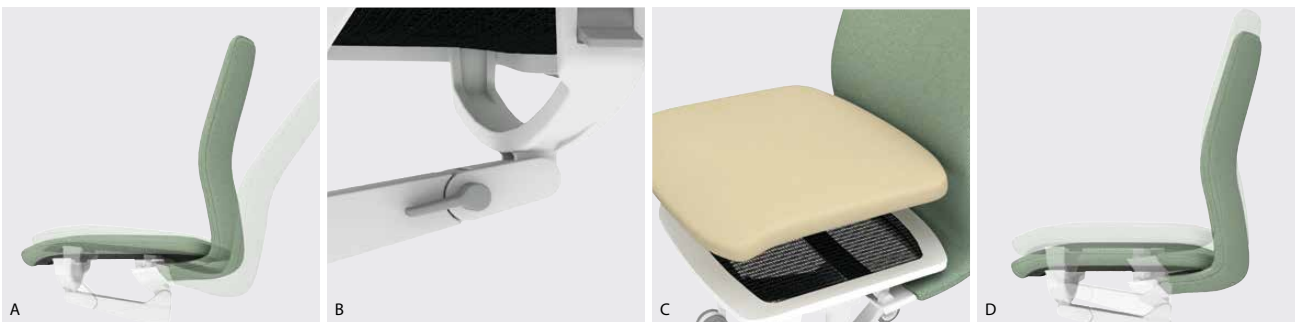

C. Sleek and minimal under-seat reflecting a light and soft impression.

D. Ring-shaped castors, a design feature in pursuing a light sense of feel.

## FUNCTION

Encompassing both posture supporting functions and home inspired interior led design.

A. The reclining tension automatically adjusts to the user's weight.

B. Switch the lever to adjust reclining tension strength (standard or firm). Also, lockable in the upright position.

C. Firm under layer mesh combined with padded cushion will relieve excessive pressure and support seating posture. (Applicable to fabric and leather models)

D. Operate the seat height lever to suit body height and seating posture. Stroke: 90mm (Stroke:120mm also available upon request)
