FUNCTION

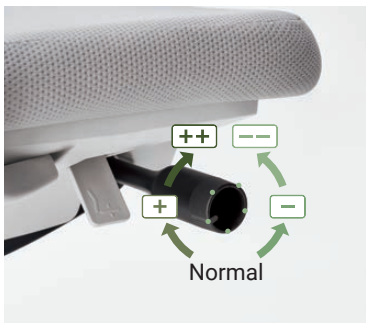

Auto Fit Synchro Tilt

Synchro moving backrest and seat pan with a smooth and unhindered tilt. Stabilizing counterforce to maintain balance, and weight operated tilt tension control. Design attributes designed to support working posture.

Back Angle Adjustment

The tilting angle is selectable from 4 settings
[Upright fixed position(0°), 6°, 13°, 20°]

Reclining Adjustment Control

In addition to the weight operated tilt tension, a manual operated 5-level tension setting is equipped for taller physique and to be adjustable to one's personal preference.

Lumbar Support

Cushion-lined lumbar support for enhanced seating comfort. Adjustable in height to one's individual preference. Adjustment stroke: 50mm

Seat Height/Depth Adjustment

Adjust the seat height and depth to personal preference according to desk height and the work at hand. Seat height stroke: 90mm
Seat depth stroke: 50mm

Posture Support Seat
