

Caravel

Stylish design that blends well with any space.

Weighing just 4.1kg and ergonomically designed for seating comfort.

PRODUCT
CERTIFIED FOR
LOW CHEMICAL
EMISSIONS:
UL.COM/GG
UL 2818

FUNCTION

The 3D structural form based on ergonomics firmly supports the body and provides comfortable seating comfort.

Ergonomically profiled 3D backrest with waterfall seat edge to support natural seating posture.

Integrated breathable tensile mesh disperses body weight for enhanced comfort suitable for longer period of use.

Ganging glides fitted as standard.
