

Plocka

A chair series that brings ease-of-use with the wide range of variations to suit café and lounge space settings.

FUNCTION

Square seat and square backrest

The spacious wide square seat and backrest disperse body pressure to seat comfortably.

25mm thick cushion

The thick urethane cushion adequately supports seating comfort.

Polypropylene with antibacterial agent

99% bacterial reduction after 24 hours compared to the surface not antimicrobial processed. Antimicrobial properties are based on testing in accordance with International Standards ISO22196.

Ease of use

Equipped with glides to reduce the noise when moving the chairs.

Stackable

Designed with space efficiency in mind. Stackable 4-high (excludes wooden leg models)

COLOR & MATERIAL

Legs

Backrest /seat (Poly)

Backrest /seat (Plywood)

Seat cushion (Fabric)

Seat cushion (eco PVC leather)

◆Antimicrobial performance is for polypropylene seat and backrest. The seat pad does not have antimicrobial performance. Antimicrobial treated area reduces specific bacteria on the surface and not a means to guarantee the prevention of infection. Further, the antimicrobial treatment is not intended to treat or prevent infectious diseases.
