

# INITIA

Height adjustable table to create active spaces.  
Designed to support diverse working.

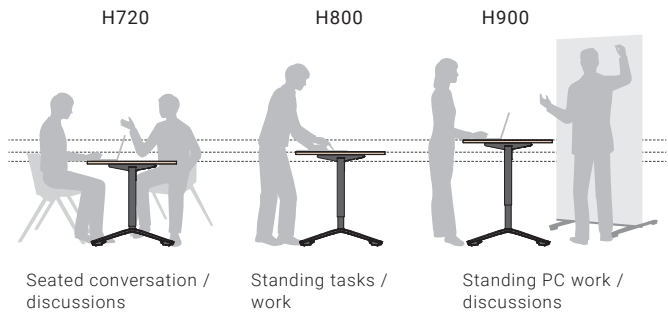

WELLUP

# FUNCTION

## Height adjustable to suit the purpose of use.

Adjustment by ratchet mechanism, the height of the table can be adjusted to H720mm, H800mm and H900mm.

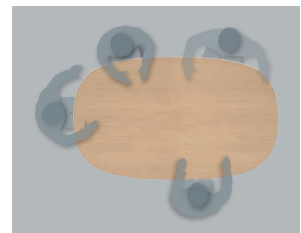

**Foldable top**  
Flexible use and efficient nesting.

**Castors**  
Recessed close-floor castors reflecting a sleek and modern leg detail.

**Rectangle tabletop**  
The inset V-shape leg enables to stand or sit on the sides.

**Oval tabletop**  
Rounded to comfortably encircle around the table.

### Custom order

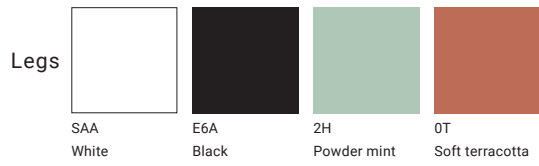

Antibacterial & Antiviral tops

◆The antibacterial and antiviral performance is applicable only to the surface of the tops. The top panel of this product will reduce the number of specific viruses on the surface, but does not guarantee prevention of infection. Further, the antiviral treatment is not intended to treat or prevent diseases. This is a SIAA registered product.
