

VIENA

A meeting table range with sleek design and functionality to create flexible office spaces.

GOOD DESIGN AWARD 2016
BEST 100

A lineup to cater the variety of work scenes in the office.
Simply designed to match well with the surrounding furniture, and seamlessly blend into the space setting.

FUNCTION

2 Way cable access flap (Fixed table models only)

The simple wiring box neatly houses cables. When opened allows easy access to outlet taps.

Recessed close-floor castors

Matching leg design throughout, easy to move close-floor castors with a sleek and modern leg detail.

Folding lever (Foldable table models only)

The folding lever adopts a twist and turn mechanism for safe use. The lever also neatly folds back into the under-frame for efficient nesting.

Castors

The castor stopper can be switched between free and lock by pressing the switch at the front.

OPTION

Support tool for smart wiring

A pre-packaged set to neatly store power cables. Regardless of having a 2 way cable access flap, a convenient power supply environment can be created.

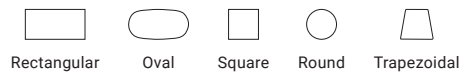

VARIATION

Antibacterial & Antiviral tops

◆The antibacterial and antiviral performance is applicable only to the surface of the tops. The top panel of this product will reduce the number of specific viruses on the surface, but does not guarantee prevention of infection. Further, the antiviral treatment is not intended to treat or prevent diseases. This is a SIAA registered product.
